Dear Colleagues,

On behalf of the Turkish Society of Intensive Care, it is my honor and pleasure to invite you to attend the 21st of International Intensive Care Symposium again in Istanbul. The symposium will be held on 12 - 13 May 2017 in Hilton Bomonti Hotel & Conference Center which is located in the heart of the city.

The objectives of this 2 - days symposium are to provide participants with an up - to - date review of the most recent developments in research and management of the critically ill.

The symposium is held in every two years and is unique in its field in which all speakers are well known international experts.

The interest is growing in every symposium and the number of participants reached around a thousand in the previous one.

The meeting is open to all physicians, nurses and other health professionals with an interest in intensive and critical care medicine.

I look forward to seeing you in this important scientific event together with a warm social atmosphere.
